Public feedback on QEC's major project applications

Start Date: April 8, 2021

End Date: May 14, 2021

All Nunavut

Qulliq Energy Corporation (QEC) is encouraging the public to provide feedback on the corporation's proposed power plant replacement projects in Gjoa Haven, Cambridge Bay and Igloolik, and generator set replacement in Iqaluit.

The corporation has applied to the Minister responsible for QEC to approve these major projects. Nunavut's Utility Rates Review Council, an independent advisory body, will review public feedback and provide advice on the application to the Minister responsible for QEC.

QEC encourages the public to take part by emailing their comments to URRC@gov.nu.ca by 5 p.m. on May 14, 2021. Please visit www.URRC.gov.nu.ca for more information on the application.
