# Put a NEW KIND of ENERGY in YOUR CAREER.

Entrusted with supplying safe, reliable and efficient energy to the citizens of Nunavut, through both traditional and alternative sources, **Qulliq Energy Corporation (QEC)** offers many opportunities for those seeking to convert their skills and expertise into professional success. Sounds like you? Join our team. Wide-open spaces, rewarding work in a variety of settings, and the chance to contribute to the well-being of all Nunavummiut will bring new energy to your career - now and in the future.

## JOURNEYMAN LINEMAN

CAMBRIDGE BAY, NU - Ref. No. QEC-16-033

If you enjoy working with minimal day-to-day supervision, and combine journeyman certification with power line maintenance experience, you'll be a great addition to our team.

Reporting to the Maintenance Supervisor, you will install, maintain and repair power lines, locate and connect new services, and participate in meter reading. You will also have the opportunity to lead, and participate in, safety talks and tailboards on the job site. Your work as a Power Lineperson will adhere at all times to service, safety, business and industry standards, policies and procedures. Typically, you will have semi-direct authority over staff and services in Nunavut communities and in determining how best to install or remove poles. You must be available on-call, as required, after normal work hours or on weekends.

This is not a rotational position. It is a full-time placement in the community assigned.

### DUTIES AND RESPONSIBILITIES INCLUDE:

- Working on capital projects, following design specifications prepared by the Engineering Department to complete projects on time and budget;
- In cooperation with Engineering, reviewing, and providing solutions to, ongoing cable issues and local power distribution;
- Working with other trades to complete projects, as required;
- Constructing power lines, including primary and secondary extensions, transformers, street lights, and meters;
- Troubleshooting and repairing power outages from customer to primary and secondary;
- Connecting and disconnecting power, as instructed by the Billing Department.
- Assisting with meter reading, as required;
- Performing ongoing maintenance, as required or instructed by the Supervisor;
- Making recommendations for replacing and/or moving power lines;
- Working with Plant Superintendents and Operators to keep them apprised of activities, and requesting assistance, as required;
- Managing material resources closely, as errors in line maintenance can lead to loss of revenue, cost and time overruns, safety problems, and customer service interruptions; and
- Preparing and updating work-related documentation for power grid and maintenance logs.

### REQUIRED QUALIFICATIONS INCLUDE:

- The equivalent of a 1-year post-secondary education (Apprenticeship) combined with an inter-provincial Journeyman Lineman Certificate;
- Class 3 driver's licence with an air brake endorsement, and ability to meet vehicle insurance requirements of QEC;
- At least 2 years' experience with high voltage, bulk power or distribution/transmission;
- Experience working in remote locations;
- Background in diesel-generated power or control systems;
- Experience operating air brake-equipped vehicles, as well as boom and bucket trucks; and
- Ability to work in all weather conditions, and travel in all types of smaller aircraft.

We offer a competitive starting salary of \$93,745 per annum and a comprehensive benefits package, including a Northern Living Allowance of \$19,716 per annum. This position is included in the Nunavut Employees Union. Subsidized staff housing is available.

**Note:** An eligibility list may be created to fill future vacancies.

**Preference will be given to beneficiaries of the Nunavut Land Claims Agreement.**

Apply in writing, by **December 16, 2016**, to: [hr@qec.nu.ca](mailto:hr@qec.nu.ca)

or by mail to: **Human Resources, Qulliq Energy Corporation, P.O. Box 420, Baker Lake, NU X0C 0A0.**

We thank all applicants for their interest; however, only those selected for further consideration will be contacted.
